# Welcome...

NOVEMBER/DECEMBER 2017

to the November/December issue of Huachuca's Choice Magazine.

Once again, we have many exciting events scheduled for the enjoyment of the entire family.

Veteran's Day is a special time for all of us, and we will offer services at free or reduced prices for Active Duty, Retired and Family Members at our facilities that weekend. Check out Page 6.

Kick off Thanksgiving season with the annual "Turkey Bowl" football game, set for Nov. 17th, followed by Right Arm Night. See Page 7 of this issue.

December 8th and 9th, we will present our annual Night of Extraordinary Lights – N.O.E.L. – held at historic Brown Parade Field on Fort Huachuca. This event offers something for everyone: from ice skating, to photos with Santa, to the opportunity to view holiday light displays, or do some holiday shopping and much more! There's no charge for N.O.E.L., so gather up the whole family and come out to Brown Parade Field. For more information, see Pages 4 and 5.

As 2017 comes to a close, plan to ring in 2018 with Desert Lanes and Jeannie's Diner at their New Year's Eve Party. Find out how to get tickets for this event on Page 18 of this magazine.

The Arts & Crafts Center will host "Sip & Create" events in both September and October. See Page 6 of this issue.

Remember, Family and MWR is committed to serving our Soldiers, Families, Retirees and Civilians.

Thank you for your continued support of YOUR Family and MWR Team and Programs. We couldn't do it without you!

Director, F&MWR Dennis J. Maruska

# Earn an Income While You Stay at Home and Raise Your Children

If this sounds interesting to you, then check out the Fort Huachuca Family Child Care (FCC) Program.

We are looking for energetic individuals who are interested in staying home with their children, earning an income, and who live on Fort Huachuca.

An average FCC Provider earns at least \$578 per child, per month. Our next New Provider Training begins soon.

For more information, please visit the FCC Office, located in Murr Community Center, Bldg. 51301, or call 520-533-2498 or 520-533-8386.

We look forward to having you join our growing program!

U.S. Army Family Child Care  
Your child's "home away from home"

## Who could best care for your child?

Family Child Care (FCC) Providers who participate in the Fort Huachuca FCC Program are certified through Fort Huachuca FCC Office. All Providers pass extensive background checks, submit monthly activity plans, follow a daily activity schedule, meet all United States Department of Agriculture meal-time requirements, attend on-going training, and are inspected on a regular basis. Our professionally trained Providers offer safe and nurturing environments that promote the physical, social, emotional, and cognitive development of young children, while responding to the ever-challenging needs of our Families.

Advantages of using an FCC Provider include:

- Homes are multi-age and reflect a family atmosphere.
- Individualized care for each child and family.
- Siblings can stay together.
- Small-group environment, no more than six children in the home.
- Schedules are more flexible for parents who have unusual work hours.

FCC Providers are located on Fort Huachuca. They are able to meet your children's needs. We consider our FCC Homes to be your child's "Home Away From Home" and hope they will feel the same way. We look forward to serving you.

Please call 533-0738 to enroll your child(ren) in a certified FCC home.

or to make group reservations**

# **FORT HUACHUCA CHALLENGE COURSE NOW AVAILABLE**

There's something new at Fort Huachuca: Outdoor Recreation recently announced that The Challenge Course is now available for reservations.

A challenge course is a combination of mental and physical challenges, requiring groups to work as a team to accomplish goals. Through a series of fun and unusual activities, participants learn valuable information about themselves, each other and the group as a unit.

By removing people from their usual environment, and placing them in a new, unique setting, a challenge course experience fosters shared learning, openness and cooperation.

The course was designed with groups of Soldiers in mind, such as those participating in the Warrior Adventure Quest. But the Challenge Course is also open to any other groups across the community, including Sierra Vista, that want to experience high adventure team building.

The course was not designed for competition nor is successful completion dependent upon speed.

In fact, the experience is completely customized to meet each group's goals and abilities—no two events are the same.

Group size can range from 8 to 50 participants. There is no age limitation for the Course—only size limitation. Participants must be large enough to fit safely into a harness, meaning the harness can be tightened around the waist, snugly like a belt. The maximum size to participate is 300 pounds, or if the participant cannot fit safely into a harness.

Although some risk is inevitable when completing a task like the Challenge Course, Outdoor Recreation has hired and uses a highly-trained staff, to make the course as safe as humanly possible.

The Challenge Course is available by **RESERVATION ONLY**. Reservations must be made at least 7 days prior to the event date, to allow for scheduling of adequate staff. A deposit of 50% of the total price is due at the time of reservation. Cancellations made 7 days or more prior to the event are eligible for a full refund. Cancellations within 7 days of the event will forfeit deposit amount.

**To make reservations, call Emma Beshear at 520-533-6707 or Derek McKinley at 520-533-4169.**

# LUNCH & LEARN

## New Parent Support Program Classes

Being a parent is a challenge, but having a special needs child brings unique challenges, depending on what your child's diagnosis is. If you are a parent of a child with special needs, you definitely have more complex challenges to overcome, so please join us on Nov. 15, 1130-1230 for our Lunch & Learn about Special Needs.

Whether you have a baby or a pet first, lives will change. How do you prepare one for the other? Join us on Dec. 13, 1130-1230 for our Lunch & Learn about Babies and Pets. We will have a speaker from Veterinary Services here to answer questions.

Bring your own sack lunch to both classes, to be held at ACS Building 50010. For more information or to register please call 533-3686 or (571) 414-1922.

**Advance your Career**

- Over 90 degree and technical certificates available
- Recognized nationally for cost, return on investment and high success rate
