# Meet Denise Chappell, ACS Relocation Readiness Program Manager

As of Jan. 22, 2018, Army Community Service has a new staff member. She is Denise Chappell, and she came to Fort Huachuca from Washington State where she had worked for ACS at Joint Base Lewis/McCord for the past several years.

There she worked in Employment Readiness and helped Wounded Warriors to transition.

Prior to that, Denise worked for eight years at Camp Humphries, Korea, where she assisted with all ACS programs.

Altogether, Denise has spent almost 20 years on the job with various Army Community Service Programs.

The Relocation Readiness Program Manager's position had been vacant for several months, with other ACS staff members filling in to meet required standards.

Now that the position has once again been filled, Denise hopes to offer additional services for clients such as:

- \*"Smooth Moves," which provides one-on-one help to eliminate some of the stress of PCSing, (Permanent Change of Station) while providing resources and information about the new installation and community;

- \*Overseas workshops, for destinations Korea and Germany, plus desk-side assistance for any other overseas assignment;

- \*Assist foreign-born spouses, and begin hosting a monthly meeting for International Spouses, to help them become more aware of benefits and support that are available to them.

- \* Hearts Apart," which is a way to keep families together over the miles, providing activities and resources to families who have a Soldier Member on an unaccompanied tour, extended TDY or field training.

- \* Reach out to Family Readiness Groups to find out their needs and what matters most to the community.

Since she has arrived at Fort Huachuca, and began her assignment here, Denise told us that she has felt very welcomed. She is especially happy to have returned to a more family-sized ACS, which offers more freedom. JB Lewis/McCord's Army Community Service employs around 120 people, compared to just 12 on the FH staff.

When she isn't working, Denise hopes to be able to enjoy the warm Arizona weather, and to spend more time with family and friends. She has three grown children and three grandchildren, two of whom live in Phoenix.

Since she is originally from Denver, CO, Denise says that she feels closer to home than she did in Washington.

If you or someone you know needs assistance with any aspect of relocating, call her at 520-533-5919 or you can stop in at ACS, Building 50010, Smith Avenue.

## ENROLL YOUR CHILD IN A CERTIFIED FCC HOME

Fort Huachuca Family Child Care Providers are certified through the Fort Huachuca FCC Office. All providers complete an extensive background check process, prepare and submit monthly Activity Plans, follow a Daily Activity Schedule, meet all United States Department of Agriculture meal requirements, attend on-going training, and are inspected on a regular basis. Our professionally-trained providers offer safe and nurturing environments that promote the physical, social, emotional and cognitive development of young children, while responding to the ever-challenging needs of our Families.

Advantages of enrolling children in FCC Homes include:

- Homes are multi-age and reflect a Family atmosphere.
- Individualized care for each child and Family.
- Siblings can stay together.
- Small-group environment with a maximum of six children in the Home.
- Schedules are more flexible for parents who have unusual or extended work hours.

FCC Providers are located on Fort Huachuca. They are able to meet your children's needs. We consider our FCC Homes to be your child's "Home Away From Home" and hope they will feel the same way. We look forward to serving you. Please call the Child and Youth Services (CYS) Parent Central Services Office at 533-0738 to enroll your child(ren) in a certified FCC Home.

# Warrior Adventure Quest Available to Army Units

The Warrior Adventure Quest (WAQ) program is a High-Adventure Outdoor Recreation program combined with L-LAAD as a part of the Army's holistic approach to RESET. WAQ is a free, full-day, resiliency training. All Army units, Active Duty, Reserve and National Guard may participate during any part of the deployment cycle.

WAQ programs are designed to help mitigate boredom and high-risk behavior of Soldiers by providing high-adventure activity in an outdoor setting. High adventure programs reinforce soldier unit cohesion and individual coping tools for stress and reintegration challenges.

The Fort Huachuca Outdoor Recreation program offers the Challenge Course, a high rope team building program. Other activities may be coordinated with the Outdoor Recreation team.

MARCH/APRIL 2018

POCs of interested units are encouraged to contact Derek McKinley, Outdoor Recreation Director at 520-533-4169 or Emma Beshear at 533-6707.
