# The Secret to Our Success: The People Behind the Programs

The Mountain View Golf Course team won the Director's Award for Excellence due to their outstanding performance during the 1st Quarter of FY26. Despite facing significant challenges, including network disruptions and increased community competition, the team successfully maintained exceptional customer service and operational continuity. Their efforts have resulted in financial performance that is on par with or exceeds the previous year, demonstrating their resilience and commitment to the Fort Huachuca community.

For the 1st Quarter of FY26 the MWR teamwork award was presented to all staff within Fort Huachuca's fitness centers, Barnes Field House, and Eifler Fitness. Staff demonstrated exceptional teamwork and dedication, especially during a challenging time like the government shutdown. The fact that patrons took notice and praised their efforts speaks volumes about their commitment.
