

Return to a land of magic at *Disneyland*[®] Resort!

Disneyland[®] Park

Savor the flavors this March in *Disneyland*[®] Park and enjoy new magic, classic attractions and must-see lands.

Return to the Perfectly Playful — It has been one year since the reimagination of Mickey’s Toontown came to life. Step inside an animated world filled with beloved characters like Mickey Mouse, Donald Duck, and Goofy! Guests are invited to climb aboard a runaway train for a zippy and zany adventure on Mickey and Minnie’s Runaway Railway, take a spin through silly streets of Mickey’s Toontown on Roger Rabbit’s Car Toon Spin, or experience a speedy swirl on Chip ‘N’ Dale’s GADGETcoaster! Don’t forget to grab a snack at Café Daisy and picnic in CenTOONial Park.

Imagine Living in a Tree... at *Disneyland*[®] Park! — Visit the Adventureland Treehouse, where a new family has moved in and created an oasis among the trees! While they’re off seeking a new adventure, they’ve invited you to explore each of the fascinating rooms they designed. Adventureland Treehouse is inspired by Walt Disney’s *Swiss Family Robinson*.

Minnie Mouse Blooms at *Disneyland*[®] Park in Honor of Women’s History Month — In honor of Women’s History Month throughout March, Floral Minnie will be on display on the hillside just inside the main entrance, in front of the Main Street, U.S.A. Disneyland Railroad station. March is designated as Women’s History Month, a time to honor women throughout history, share their stories and celebrate their achievements. Women have always been a driving force behind many of our most treasured theme park experiences, and we will be sharing their stories all month long.
